JUMPER DIVISION: Open to all riders on horses or ponies. Classes are judged on the least amount of faults and speed. A jumping fault is incurred when the pole, or part of the pole, is knocked to the ground. A jumping fault, refusing a fence, or circling across your path are all four point deductions. After three refusals, the rider may take a courtesy fence before exiting the arena. No time faults are given at our show. Rounds are classified according to faults. If equal faults exist, then the round winner will be determined by the time. Riders may cross enter into other divisions, but can only accumulate points in one division for year end points with the same horse. Points follow horse/rider combinations so a rider can compete for year end points with a different horse. Divisions must be declared before the start of their first show. New this year is a high point ribbon awarded to the top Thoroughbred in the jumper division. (T.I.P. number required available for free at <https://tjctip.com/APPLYTIPNUMBER>.)
